GRAINGER

GRAINGER OVERVIEW

Grainger is a global leading broad line supplier of facilities maintenance products serving businesses and institutions. Our 25,000 employees are driven to serve customers and the community in exceptional ways focusing on delivering the highest level of service using the most innovative solutions. In the Grainger Technology Group, we deliver the technology platforms, systems, and services that power the Grainger business. Grainger's employees serve customers more than 115,000 times every day through multiple channels. As part of a high-performing team, you'll be able to develop your talents, and make a difference. Grainger is a Fortune 500 company and a perennial member of Fortune magazine's Most Admired Companies list.

THE PROGRAM

During the 10-12 week program, each intern will be assigned to a specific Grainger team to address current issues facing our business. The intern class will also work together on a group project to solve a business problem, and then present their solution to the Grainger Technology Group Leadership Team in Jacksonville, FL. *This is a full-time, paid internship.*
